Dear Mr. Aharoni,
thank you so much for your letter
and the magazine.
I will send the page, along with
your letter to my grandfather
so that he can know how you were
fouched by his work.

It must be the greatest gift of
any artist, to know that your
work has inspired other artists.

We will try to make it to your
exhibition in Sydney, to see
you and your work 'live'.

Yours Sincerely

Mila Dronopova
